## Education Minister Attends

### School Committee Discuss Staff Changes Next Term

#### Edmonton Report

EDMONTON: More than 150 civil defence organizations have been formed in various centres throughout Alberta, according to recent statement made by officials of provincial civil defence headquarters here.

The degree of organization varies considerably, officials indicated in elaboration of the statement. Many centres have no organization at all.

It is two years now since the provincial government established a civil defence headquarters organization at the direction of the federal government. Main progress in that time has been the establishment of local organizations in the cities and some of the larger towns in the province and the training of many key personnel.

There remains a great deal to do if civil defence is to meet the possible emergency situations. Officials are anxious to point out the strides that have been made, but more cautious in answering suggestions that there are many weak spots.

One official did admit last week that the local organizations, particularly in the rural districts, "are not ready for a real emergency."

Some areas have been organized "to a certain extent." Classes in basic first aid have been held in many centres where civil defence groups have been established, while auxiliary fire fighting crews are being trained in others with the aid of special equipment, including a federally-donated pump-truck.

But the provinces main concern at the present time appears to be getting the rural municipalities, towns, villages and hamlets to realize they all would have an important role to play in making a civil defence program operative when it is needed.

To carry out this responsibility citizen-volunteers will have to be trained in various phases of emergency work—fire fighting, first aid, warden services, rescue workers, auxiliary policemen, emergency feeding, etc. These are but a few of the fields for volunteers.

Canada's civil defence program is set up to place the onus of organization on the province first, then on the local governments.

Municipality, town and village secretaries have received instructions from provincial headquarters on the procedure for organizing local groups. Some have acted on them. Some, possibly with the feeling that disaster will not strike their communities as it would the cities, seem to have field them—permanently. At least the lack of action in some centres seems to indicate to officials that that is what has happened.

The first step in establishment is the appointment of a local civil defence director to head a committee. From there it is a matter of having instructors trained at provincial civil defence schools so they can return to the community to train their fellow citizens.

Civil defence recognizes three areas. Target areas such as Edmonton and Calgary, where a maximum of organization is required.

Officials are urging citizens of communities where nothing has been planned for forming groups.

Centres within a 100-mile radius of target areas are known as mutual aid areas. Personnel in civil defence organizations in these areas should receive the same training as in target areas, for they will be called on for help in a real emergency. The third area is the reception area, far removed from potential targets and organized to receive long-term evacuees, refugees and casualties from disaster.

#### Recent Births at Vulcan Hospital

The following births were recorded at the Vulcan Municipal Hospital during the month of May: May 2, to Mr. and Mrs. Sydney Mason, Vulcan, a son.

May 4, to Mr. and Mrs. Harold

The Vulcan County Council and School Committee meetings were held last week in the County Office. Routine matters principally were discussed and dealt with. Hon. Mr. A. Aalborg, Minister of Education, attended the meeting of the School Committee during his visit to this area in connection with the opening of the new schools at Carmangay, Champion and Milo. Mr. Aalborg discussed various matters with School Committee and expressed his satisfaction and approval at the manner in which school matters are being handled by the County of Vulcan. There had been considerable discussion over whether Education would receive its full share of attention under the County system and Mr. Aalborg congratulated the County School Committee on its progress so far and was pleased to note that the County system is working out satisfactorily.

The Board authorized the purchase of a piano for the Carmangay School.

The Board discussed various staff changes in the Vulcan school and approved the Superintendent's recommendations that Frank Burchak be made a Vice-Principal in the Vulcan school to have charge of the elementary school effective on the opening of the new High School. Miss M. MacKay will be transferred to the Junior High School at the beginning of the next term and Mrs. Markert will teach in the elementary school. The Board also decided to engage a Shop and Home Economics teacher, if possible, to provide this instruction in the County.

County Councillors dealt with the matter of the Public Works Grant and authorized the program as recommended by the Municipal Committee.

Councillors passed the bills for the County, Municipal and School for the month and also a motion

Marshman, Champion, a daughter.  
May 4, to Mr. and Mrs. Russell Robbie, Vulcan, a daughter.  
May 8, to Mr. and Mrs. Gerald Mooney, Ensign, a daughter.  
May 12, to Mr. and Mrs. George Ellis, Champion, a daughter.  
May 15, to Mr. and Mrs. Gale Atkinson, Vulcan, a daughter.  
May 17, to Mr. and Mrs. Lawrence Clements, Milo, a son.  
May 17, to Mr. and Mrs. James McFadden, Ensign, a daughter.  
May 18, to Mr. and Mrs. Gerald Going, Vulcan, a daughter.  
May 20, to Mr. and Mrs. John Wolfe Jr., Vulcan, a daughter.  
May 25, to Mr. and Mrs. Lew McGrail, Champion, a son.  
May 27, to Mr. and Mrs. Lyle Spanke, Vulcan, a daughter.  
May 30, to Mr. and Mrs. James A. Foreman, Lomond, a daughter.

#### Eight Grade 12 Graduates

### High School Graduation Banquet-Dance "Best Yet"

(By a High School Student)  
May 22nd was the date of the Vulcan High School's Graduation Banquet and Dance. According to old standards, this is the most important day of the High School. This year, it was also the most successful event.

The delicious supper was prepared and served by High School students only. Some people didn't eat to an excess because they were so intrigued with the beautiful decorations.

Billy Hansell, president of the Student's Union, acted as Master of Ceremonies and did a very good job. Betty Hansell gave a toast to the Queen. She said some appropriate and very well chosen words. This was followed by Ron Northcott proposing a toast to the Town (with no cruel remarks about the road) which was greatly appreciated by the responder, Mayor Allan.

Barry Coleman and Harris Matlock were together again since the curling season because Barry gave the toast to the School Board and Mr. Matlock replied. Keith Healy, one of the eight Graduates, expressed his good thoughts and wishes to the teachers. The toast was replied to by Mr. Ulmer, noted in the school for his Math. and Science lectures.

CANADIAN CATTLE HEAD FOR U.S. MARKETS

Canadian cattle, for the first time since the recent lifting of the United States embargo, moved out of St. Boniface "Stock Yards" last week by Canadian National Railways for the United States. The initial shipment totalled 178 calves. The top picture shows the method used by Federal Department of Agriculture veterinarians in inspecting export cattle at the

stock yards before being loaded into C.N.R. stock cars. If the cattle are for feeding and finishing on U.S. farms, they must undergo a 72-hour T.B. test and be pronounced "negative."

#### Farewell Party For Mrs. J. Leon

Some 25 friends gathered at the home of Mrs. Mary Leon on the evening of May 28 to surprise her with a farewell party.

Two amusing contests conducted by Mrs. Nora Bakken, provided the entertainment for the guests, and prizes were won by Mrs. Nan Ruchak, Mrs. Kay Peard and Mrs. Cecile Emelson.

Mrs. Ethel Grondin, on behalf of those assembled, presented Mrs. Leon with an electric clock and expressed all good wishes for happiness in her new home in Lethbridge.

The pleasant evening was concluded by a tasty lunch served by the Catholic Women's League.

#### 148 Delegates Registered

The annual Conference of Lodges in District No. 5, Order of the Royal Purple, Auxiliary to the B.P.O. Elks, was held in the Oddfellows Hall at Vulcan on Friday, May 29 with morning and afternoon sessions. 148 delegates were registered from Calgary, Okotoks, Stavelly, Brooks and Vulcan.

The morning session was formally opened by Vulcan Lodge, with H.R. Lady Houlton presiding. A cordial welcome was extended to all the honored guests and members, and a special welcome was given to Supreme H.R. Lady McCullough of Edmonton, who is the Dominion Head of the Order. She was presented with a lovely corsage and escorted to the platform.

#### Ladies of Royal Purple Hold District Conference

The question box was opened and many phases of Lodge work were made clearer when so ably explained by the Supreme Officers present.

To commemorate June 2, Coronation Day, a gift was presented by Supreme H.R. Lady McCullough to the lady whose birthday was on June 2 or closest to it. Two ladies qualified, so a draw was made and the gift was presented to Lady B. Weidenheimer of Calgary. The next District Conference will be held in Calgary in May, 1954.

The day's activities were concluded with a delicious turkey dinner, which was served by the Ladies of the Anglican Guild.

The banquet was presided over by H.R. Lady Houlton. Guest speakers were Supreme H.R. Lady McCullough, DD H.R. Lady Carr and Mayor W. D. Allan, who brought greetings from the Town of Vulcan, expressed his pleasure on behalf of himself and Mrs. Allan at being asked to be present, and paid tribute to Ladies of the Royal Purple, and to the work of the Vulcan Elks Lodge for creating and maintaining the beautiful Memorial Park.

The Exalted Ruler of the Elks Lodge, Ron Marshall, spoke briefly. He commended the ladies of the Royal Purple for their accomplishments, and expressed the opinion that great benefit was derived from having the Supreme Head of the Order present at the conference, and it was his aim to have the Grand Exalted Ruler of the Elks Lodge, Bro. Ken Lawson of Edmonton pay an official visit to the Vulcan Lodge before this year is ended.

Past District Deputy Carson McKay expressed his pleasure at being present and complimented the ladies on the assistance they were

first Canadian National Railways' cattle train leaving Winnipeg with western cattle for U. S. markets.

In a normal year, the Union Stock Yards in St. Boniface handle 500,000 head of cattle and 300,000 sheep, lambs and hogs.

Other stock yards in Canada handling cattle for direct export to the United States are located in Vancouver, Edmonton, Calgary, Saskatoon, Prince Albert, Moose Jaw, Toronto and Montreal.

The bottom picture shows the

#### Coronation Day, June 2

### Rain Mars Program But Over 500 Attend Service

Monday night's rain storm marred Vulcan's Coronation Day celebration but despite the muddy roads and threat of more rain over 500 people attended the Coronation Service in the Armouries and the Calgary Highlanders' Pipe Band put in its scheduled appearance.

Original plans to hold the big parade from the Armouries to the ball park were cancelled because of the muddy conditions of the streets, but the main street was dry enough to allow the uniformed groups of the Calgary Highlanders, Vulcan Cadet Corps, Scouts, Cubs, Guides, Brownies and Lomond C.G.T. to parade from the Armouries to the C.P.R. intersection to the stirring music of the Highlanders' pipe band.

The community picnic and base ball game were both cancelled but the free picture show for the children and the dance at night were held as scheduled, although impassable roads greatly cut the expected attendance at the dance.

The service at the Armouries was conducted by Rev. J. C. E. Reuss, minister of the St. Aldhelm's Anglican Church; Mr. J. R. Chapman of the Church of Christ and Rev. J. S. Clarke of the Vulcan United Church.

The address at the service was given by Mr. Reuss and his theme was "Defender of the Faith", based on the text "Honour all men, Love the Brotherhood, Fear God, Honour the King."

For this covenant and faith the great service at the Abbey came about today, he said, with historic pageantry and vivid symbolism blending with a solemn religious rite. The people accept their Queen and the Queen, invoking the help of God, pledges herself to the most exacting of all human tasks—to ascend the throne of a great nation in modern times.

The trusteeship of empire and the crown about to be worn are responsibilities in which everyone of us shares. It involves four great loyalties: Loyalty to God, Loyalty to the Queen, Loyalty to our Dominion and Empire and Loyalty to ourselves. Our best selves as children of God. Mr. Reuss explained each of the four loyalties and asked the audience to dedicate the loyalty of their lives to God, first and above all, that His blessing may rest upon the other loyalties.

Rev. Clarke's address, scheduled for the ball park, was given in the Armouries immediately following the service. The theme of his address was "Patriotism," and he pointed out that patriotism is what we can make it. It could be a "half-way house between selfishness and sympathy for our fellowman" and too often in the past it has consisted of a vulgar and ignorant contempt of "foreigners," of absurd pride, sheer pugnacity and acquisitiveness.

True patriotism, he said, consists of being true to the finest ideals of which a nation is capable. In the British Commonwealth of Nations these are symbolized and embodied in the person of our Sovereign Queen Elizabeth II.

As Phillip, the Duke of Edinburgh, and the peers of the realm were privileged in the Abbey ceremony to pledge themselves as liege men of the Queen, so that privilege was extended to all citizens of the Commonwealth.

"We are given today, said the speaker, a chance to make patriotism what it should be—a strong sentiment of loyalty to one home, country and Empire."

#### Plan Rededication Of United Church

Work on the interior of the rebuilt United Church is now nearing completion and preparations are underway for the re-opening and re-dedication of the church.

The special services are planned for Sunday and Monday, June 21-22, and it is hoped to have Rev. Nelson, Mercer of Southminster United Church, Lethbridge, as guest minister on this occasion.

Further information will be carried in the Advocate prior to these dates.

giving the Elks when ever called upon. Expressions of thanks and appreciation were received from all present for the very pleasant and profitable visit to Vulcan's first District Conference.

#### 3.18 Inches of Rain In 36 Hours

A deluge of rain accompanying a severe electrical storm Monday evening again brought all farming operations to a halt, but seeding in the immediate Vulcan district is pretty well completed except in the north-east part of the district.

A steady rainfall set in Tuesday afternoon and continued throughout the night. Rain records kept by George Murray of the Alberta Wheat Pool show that 3.18 inches of rain has fallen since Monday.

The weather was cool and cloudy on Wednesday.

#### Well Decorated For Coronation Day

Vulcan presented the best-decorated appearance in recent years for Coronation Day, June 2.

Through the efforts of a Canadian Legion committee, strings of red, white and blue pennants were sold to the town and to many local business men and the colorful pennants, stretched across the main business streets, gave the town a festive air that has been lacking on holidays in recent years.

The demand for bunting and flags exceeded the supply, but many store fronts were gaily decorated in patriotic colors and the windows of a good number of business places featured displays and pictures dealing with the coronation of Queen Elizabeth II.

The best-decorated business place was that of Bev Banks Purity 99 service station and it is hoped to carry a picture of this display next week.

#### Send Delegate To A.Y.P. Week

The meeting of the newly organized Junior Farm Young People was held recently at the home of Ralph Richardson with 16 members present.

The dance which was to be held on June 5th was postponed to a later date.

Discussion followed on the possibility of sending two delegates to Edmonton to Farm Young Peoples' Week, but owing to a shortage of funds it was decided to just send one and Owen Fulton was chosen to go.

The meeting closed with a nice lunch and the young people enjoyed a social period, listening to records.

#### Activities of Brownies, Guides

Two ceremonies were observed at the Scout-Guide hall on Tuesday, May 26, when parents and friends gathered to see seven Brownies enrolled and one Brownie walk up to Guides. The Brownies who made their promise in the presence of Brown Owl Mrs. J. C. E. Reuss and Guide Captain Mrs. J. P. O'Connell were presented by their "Sixers."

Kathleen Knave, Fairy Sixer, presented Leslie Lucas.

Jerie Boutland, Kelpie Sixer, presented Ann Jamison and Margaret Giles.

Dale Woodman, Elves Sixer, presented Judy Simpson.

Louise Graham, Pixie Sixer, presented Jean Hess, Linda Roebuck and Shirley Johnson.

Each new Brownie received a belt and pin and were enrolled by Guide Captain Mrs. O'Connell.

New Secondaries who were welcomed and received arm bands from Brown Owl Mrs. Reuss were Merla Robertson, Myrna Jamison, Beverly Grove and Christine Hindle.

Following the enrollment ceremony, the Brownies joined hands and made a tunnel for one of the Brownies to run through to "Guiding Land." The Brownie—Doreen Johnson—was welcomed by Glena Joiner and claimed by Margaret Joiner. The Brownies then enjoyed a campfire sing-song with the Guides. Refreshments were served by Mrs. Joiner, Mrs. Best and Mrs. Robertson, followed by a showing of African pictures by Miss F. Dixon of the Sudan Interior Mission.

### Wasted Effort

The other day on Highway 23 we happened to catch up to the grader that is apparently responsible for maintaining that stretch of the highway between the corner store and Carmangay. As we were bouncing along on the stretch of potholes and mudholes that the provincial government still calls a highway we noticed that the little maintainer ahead of us was making absolutely no impression on the road surface. The operator might just as well have been sailing along with his blade lifted for all the good he was doing.

On making a few enquiries of people who know a little about road maintenance we were told that the maintainer operator was not at fault, but that his machine is far too light for the task of levelling the highway in its present condition. The "present condition" refers to the fact that you wouldn't find a bucketful of gravel on a mile of the highway in many stretches.

The phrase "wasting the taxpayers' money" is too often overused and misused but in this case it seems to apply. This particular maintainer is obviously of little or no value on the highway. As a matter of fact, we doubt if anything but the heaviest of machines would make any impression on the road until it receives a liberal treatment of gravel.

### Saskatchewan's Hospital Bill

The cost of operating hospitals in Saskatchewan in 1951 was 63 percent higher than in Manitoba. Such are the facts as set forth in the preliminary report of Canadian hospital for 1951 just issued by the Dominion Bureau of Statistics at Ottawa.

In Manitoba, the cost per head of population worked out at \$11.60. In Saskatchewan, hospital expenditures soared to \$18.90 per head. Saskatchewan has a government-run system of compulsory hospital insurance. Manitoba has not.

Explanation for the substantially higher cost of hospitalization per head of population in Saskatchewan is revealed by the DBS report as being administrative overhead of the government-run hospital plan. Commission on tax collections alone amounted to \$153,233. Salaries, publicity, rent, and other factors contributed to Saskatchewan's high hospitalization costs.

CANADIAN OIL PRODUCTS

Complete line of greases and oils for farm use

Be ready  
when  
the crop  
says

The fast-running McCormick 21-U tractor mower helps you cut all your hay at peak feed value.

With a fast-running McCormick 21-U mower you can wait until protein and vitamin content of the hay are at their peak before you start mowing — and still have speed to get the job done. 1—Quickly and easily attached by one man. 2—Cuts wide, clean swaths without trailing or bunching. 3—Fits any model or make of tractor with standardized PTO and drawbar. Let us show you the full line of McCormick Hay Machines. Be ready when the crop says "CUT!"

## McCORMICK HAY MACHINES

Are you ready for the haying season?  
New Hay Equipment

- 50T HAY BALERS
- No. 30 FORAGE HARVESTERS
- 45 P.T.O. BALERS
- 4-BAR SIDE DELIVERY RAKES
- 12 FT. SELF DUMP RAKES
- 7 FT. 21U P.T.O. MOWERS, fit any tractor
- HYDRAULIC FARMHANDS

## NEW TRACTORS available in all sizes

### Tillage

- 12 ft. and 24 ft. Rod Weeders
- Any size Graham-Hoeme Plow
- 12 ft. and 14 ft. 3-row Cultivators
- 12 ft. and 15 ft. Diskalls

## USED MACHINERY

### Tractors

- 1950 M.H. 55 with hydraulic attachment
- 1950 M.H. 44
- (These tractors are in extra good shape)
- FARMALL M
- 1949 John Deere D, just like new

### Tillage

- 13 ft. Graham-Hoeme Plow—is converted to new style, high clearance shanks, new spikes, new ssovels.
- 12 ft. L.H.C. 3-row Cultivator
- 12 ft. John Deere Tool Bar
- 10 ft. Cockshutt 3-row Cultivator
- 11 ft. Victory Blade, just like new

## Used Trucks

- 1949 Ford 1-ton
- 1938 and 1939 L.H.C. 1½ ton and ¾ ton trucks, good runabouts in the field

## Refrigerators and Home Freezers

available in all sizes

**BABY CLINICS**

The Foothills Health Unit Well-Baby Clinics for the current month will be held as follows (weather and road conditions permitting).

**HIGHWOOD AREA**

NANTON Community Centre, 1st Tues. in each month—10 a.m. to 12 noon and 2:00 p.m. to 4:00 p.m.

HIGH RIVER—Foothills Health Unit, 2nd Tuesday of each month—2 p.m. to 4 p.m. Each Saturday morning 9:30 to 12 noon.

BLACKIE—Masonic Hall, 3rd Tuesday of each month—2:00 p.m. to 4:00 p.m.

OKOTOKS—Elks Hall, 4th Tuesday each month—2 to 4:00 p.m.

**VULCAN AREA**

MILO—Municipal Office, 1st Wednesday of each month—1:30 p.m. to 3:30 p.m.

CHAMPION—Community Hall Basement—1st Friday of each month—1:30 p.m. to 3:30 p.m.

VULCAN—United Church S. S. room—2nd Friday of each month—1:30 p.m. to 3:30 p.m.

ARROWWOOD—U.F.A. Hall, 3rd Friday of each month—1:30 p.m. to 3:30 p.m.

CARMANGAY—Village Office, 4th Friday of each month—1:30 p.m. to 3:30 p.m.

**TURNER VALLEY AREA**

TURNER VALLEY—United Church Hall, 1st Thursday of each month—1:30 p.m. to 4:00 p.m.

BLACK DIAMOND—United Church, 2nd Thursday of each month, 1:30 p.m. to 4:00 p.m.

LONGVIEW—Aux. Services Hall, 4th Thursday of each month—2:00 p.m. to 4:00 p.m.

MILLERVILLE—Ranchman's Hall—Third Friday of each month—2:00 - 4:00 p.m.

These well-baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing with parents any problems regarding feeding, training, and general care. Inoculations for Diphtheria, Whooping Cough & Tetanus, & Smallpox vaccinations are given after 6 months of age. There is no charge at these clinics, which are a service of the Foothills Health Unit.

**Milo News**

(Delayed in the Mail)

Of course the big news this week is the official opening of the new school in Milo and while there was a detailed account of the proceedings in last week's issue, at this time a description of the school itself might be enjoyed by those who were not able to attend.

The Milo Central School is a very striking building built on a modern plan and with the modern touch in evidence throughout. It is constructed of brick and concrete with much of the wall space devoted to windows. The main entrance is two large glass doors and there are three other exits from the building opening directly to the outside. As you step into the building through the front entrance you find yourself in a spacious foyer where potted plants have been artistically arranged and the windows are decorated with beautiful floral drapes.

Inconspicuous racks for clothing are finished in blonde wood and a glassed in show case demonstrated the work of one of the classes. From the foyer a number of rooms can be entered, one of which is the auditorium and gymnasium. A large stage dominates one end of the room and it is adequately supplied with off stage dressing room and full length curtains. The beautiful hardwood floor is marked off to enable badminton to be played. This room is able to seat three hundred people comfortably. One side contains sliding doors which open part way up the wall and on the other side of these doors is a counter in the snack bar. This enables those in charge to serve refreshments from the fully equipped kitchen right into the auditorium with no wasted effort. Also on this, the ground floor, there is a shop room built with a sound proof ceiling to enable the utmost in quietness from the work there. As yet it is not equipped as no shop teacher has been available, but a full line of power tools for the teaching of this subject is planned. The Social Science room is also on this floor and it is fully equipped with the exception of the electric stove which is still to be supplied. For the class of Home Economics. The part to be used for the storage of sewing materials has one set of built in cupboards with drawers called tote trays. These drawers will contain the sewing of the pupil and can be taken out on class days and carried to the work bench where they will fit into drawer space there. Also on this floor are the two class rooms at present used by Mr. Koobe and Mr. Clark and their pupils. These rooms were originally intended for lunch or play rooms but the enrollment of the school grew even more rapidly than the school itself and they had to be converted into class rooms. On the next floor are the rest of the classrooms with the junior rooms built especially for the small tots that are to occupy them.

The blackboards, tables, chairs and book racks are all built low and can be used comfortably by the little ones. For the main part the walls are constructed of ginger brick and painted in shades of pastel blue and rose. All woodwork is clear and beautifully finished. In the laboratory there are five work tables all equipped with sinks and finished with a stain and acid resistant top. A fume cabinet is built into one wall. There is fluorescent lighting throughout the building except in the auditorium where it is direct. The only basement room is the boiler room where the automatic coal stoker is situated and where the water system is also kept. There is a good supply of drinking water in a deep well, a large tank and a cistern of lake water to always be on hand in case of fire. Besides the rooms mentioned above there is a principal's office, two modern bathrooms and various store rooms. It is indeed a beautiful building and one that Milo and the County can be proud of for many years to come.

Besides school openings there are other things going on in the district that grown ups and children alike seem to go for in a big way. Now we are referring to the hay rides that have taken place in spite of rain, cold weather and no horses. Mr. and Mrs. Chapman, who recently came west when Mr. Chapman was called as student minister for the Milo United Church for the summer months, have been in charge of proceedings. Last Tuesday a hay ride for anyone between the ages of 15 and 26 took place in spite of very diverse conditions. About 36 showed up and rode to the lake on wagons and there had a weiner roast. There didn't seem to be any casualties until Bob Umscheid and Joe Thomson decided to throw Peggy Clark in the lake. Each of these big strong men grabbed Peggy by an arm and started running her toward the lake. First

the footing started to get soft and then before they could stop they were up to their ankles in a gooey sort of muck. For some queer reason Peggy saw something funny in the situation and laughed so hard that she sat down. Before they could extricate themselves they had to take off their shoes. However, the hay ride held Saturday night was much more civilized even if there were over 80 children between the ages of seven and 15. Imagine over 80 kids on one hay rack. Eight adults helped Mr. and Mrs. Chapman handle the weiner roast and everyone seemed to have a wonderful time even if Mrs. Chapman says she did run many unbelievable miles. They bought every weiner in Milo before the night was over because they had no idea that there would be such a turnout and were quite unprepared for so many.

Contracts have been let for the construction of a cement sidewalk from the Bank of Nova Scotia up the hill to the new school. A similar sidewalk is to be constructed on the north side of the street from the hotel to Haggins corner.

Mr. and Mrs. Lawrence Clements are the proud parents of a baby boy born May 13 in the Vulcan hospital.

Another work crew is in Milo this week as C.P.R. workmen complete, with their train, are working on the section house and the depot. A new roof has been put on the section house and the other repairs are not known. One McGregor Telephone and Power crew moved out this week and another moved in. The crew that has been in the district for some time erecting the big poles has now moved to Mossleigh and the crew that is to string the wires has now arrived.

It seems to be the same old story again this week of rain, rain rain. Probably in a couple of months we will all be crying for that same precipitation that is causing so much trouble now. The fields just get dry enough to work and another big black cloud rolls up and another deluge falls. In spite of this however, almost all of the seeding is nearing completion and if there were a few days of hot weather it wouldn't take long to see an end to this first of season of the farming year. However, not only are we getting rain out some hail has fallen also. About an inch and a half of hail fell in the Gleichen district last week and a vicious hail storm struck in the Buffalo Hills also. Better now than later if it will on ly work that way.

Mr. and Mrs. Adolphus Kakelam of Columbia Falls, Mont., were guests for a few days at the home of Mr. and Mrs. Clarence Umscheid. Mrs. Wakelam is the former Verna Kirby who was often a guest of Mrs. Umscheid in the 1920's and early 30's, when she lived at Drumheller.

Mr. and Mrs. Tom Beckner attended the wedding of the latter's cousin, Viola Oviatt of Claresholm last Friday night.

Mr. and Mrs. Bill Black motored to Three Mills where they spent the long weekend with Mr. and Mrs. Gene Jones formerly of Milo. Joyce Dishaw was home for the long weekend from Calgary where she is employed in the Royal Bank of Canada.

It is with sincere regret that we

learn of the death of Mr. Hugh Laughren in Calgary on May 24. Mr. Laughren suffered from a stroke earlier in the week and was taken to the hospital completely paralyzed. He regained consciousness at odd times during the ensuing days but relapsed on Saturday and passed away on Sunday. It is believed that Mr. Laughren was 80 years of age. He farmed for many years in the Milo district until retiring in Calgary a few years ago. He was predeceased by his wife and leaves two daughters, Mrs. Rooney of Calgary and Mrs. Huskins of California, and one son Bladway of Calgary. The sincere regrets of the community are extended to the family.

Miss Donna Helleberg spent several days in the Vulcan hospital as a result of a scratch inflicted on her nose by one of her small playmates. The scratch became infected and her face began swelling badly so she was taken to the hospital. She is doing nicely now.

Mr. and Mrs. Eric Shore of Bowness visited with the former's sister and her husband Marj and Tooke Beckner during the weekend. They were accompanied by Keith Rodgers whose father used to manage the Co-op store in Milo.

Other weekend visitors were Mr. and Mrs. Gil Williams of Calgary who called on the Lawrence Phillips family. When Mr. Williams was bank manager of the Bank of Nova Scotia in Milo the accountant working for him was Jim Mair. Well both Mr. Williams and Mr. Mair are now managers in Calgary banks and Mr. Mair and his family also picked last weekend to visit in Milo. Mr. Mair calling at the home of Mr. and Mrs. Evan Beechman.

The Civil Defence of Canada is sponsoring a series of Home Nursing courses to be given at different points across the nation. Maybe you haven't noticed but there is a paper up in the post office for the express purpose of collecting

the name of anyone interested in taking this course. All you have to do is put your name on the list and you will be entered in the course. It will be given once a week for a period of six weeks and will be handled by Betty Clemmons and Helen Thompson both of whom are R.N.'s. The course could prove invaluable to any woman but especially to those who have children in their homes. If you wish to enter, get your name on the list immediately.

The Milo High School boys and girls teams have been playing ball since a while but as yet the results have not been very gratifying. They manage to both play at the same time so that one trip does for both teams. They played the Champion teams and both the opposing forces walked off with the victory. Then they took on the Carmangay teams at Carmangay but again the opposers won the games. All we can do is wish

May your joys be as many as the flowers of the glen  
May your troubles be as few as the teeth of a hen.

## Champion

Wm. McCrae of Calgary was a visitor in the district for several days last week.

Mrs. Ed Coe is a patient in the Carmangay Hospital, where she is convalescing from her recent illness.

Tom Fong, who has operated a laundry for some time in the building adjoining Champion Electric, has moved his equipment to the house owned by Mrs. Chaponeire.

Mr. and Mrs. Hoyt Rainey and children were early morning visitors last Saturday at the home of Mr. and Mrs. Russell Hegland, en route to their new home in Texas.

Mrs. Greenlee and Mrs. Mellett were hostesses at a surprise birthday shower on Saturday evening at Mrs. Greenlee's home, when 26 ladies gathered to honor Miss Christine Rose, a former teacher at the Champion School. Mrs. Miller presented the bride-to-be with a lovely corsage and numerous miscellaneous gifts together with the good wishes of the community.

Miss Leora Maxwell and Miss Carol Fraser assisted Miss Rose in opening the gifts. At the close of a delightful social evening the hostesses served a delicious lunch.

Several carloads of baseball fans travelled to Claresholm, to witness the Champion Baseball Club play and win a nappy ball game against the Claresholm nine.

Champion had the bad luck to lose two players during the game. Bud Siler, running from third to home, injured his ankle and Mervyn Smith replaced Siler in the game. Later Bill Wolfe had to leave the game when a knot developed in a leg muscle and veteran ball player and manager of the Champion Club, "Shorty" Bouzyen replaced him, and proved he could still play baseball as well as he can talk it.

The final score was Champion 9, Claresholm 4. The battery for Champion was Pasoli to Siler and Jensen. Claresholm, Glenn to McDonald.

Jack Howerton of Lethbridge spent Sunday at his home here.

Frankie Bonetti, who has been employed at the mines in the Pass has returned to the district, and is at the present time employed at the Jack Sanderson farm.

Mrs. Adam Ferguson was a Lethbridge visitor for several days this week.

Mr. and Mrs. Strom and son were visitors in Champion during the past weekend at the home of Mr. and Mrs. Dorn Ryggles. Mr. and Mrs. Strom are en route to Southern Rhodesia, where they will continue with their missionary work. Mr. Strom was the minister several years ago at the Evangelical Free Church.

Miss Elaine Groves was a Lethbridge visitor on Monday.

Mr. and Mrs. Charles Odgers of Santa Rosa, Calif., were weekend visitors at the home of Mrs. Odger's brother-in-law and sister, Mr. and Mrs. Ed Knudson.

Several ladies of the town and district attended the Fashion Show in Carmangay on Thursday, May 21. The Ladies Guild of the Anglican Church sponsored the event.

Ramon Hummel, who has been on leave and visiting relatives in town and district, has left for Churchill, Man., where he expects to be for some time. Hummel and small son are remaining with her parents, Mr. and Mrs. A. M. Mahoney.

Grades one to four held a Coronation Program in the auditorium of the school on Monday afternoon. This consisted of Coronation hymns and psalms.

Catholic Women's League

Fourteen members of the CWL attended the May meeting held at the home of Mrs. Phillip Fath on Thursday, the 28th. Mrs. Keenan helped the hostess serve the lunch. The CWL Convention is to be held in Medicine Hat on June 8, 9, 10 and although the League did not appoint a delegate any one member may go as a delegate. The next meeting will be announced later.

Women's Association

Thursday, the 28th, at one o'clock The May meeting of the W. A. was held on the afternoon of at the home of Mrs. Oscar Hartz. A dessert luncheon was served by the hostess, assisted by Mrs. Nowlin and Mrs. Alice McDonald. The devotional period was taken by Miss C. H. Givens. The meeting approved the purchase of a hot water tank and sink, together with a

electric range. The visiting committee reported making several calls, and the Sunshine Committee have sent cards and flowers to the sick.

## District News

From Our Correspondents

### MAJORVILLE

Mr. and Mrs. Harold Beattie and family of Calgary spent the weekend at the home of Mr. and Mrs. Bartsch.

Mr. and Mrs. Strang Fraser and Kenny of Cluny, Mr. and Mrs. Lewis Greaves and family and Mr. and Mrs. Bert Clemmons were Sunday guests at the home of Mr. and Mrs. Wm. Francis.

Mr. and Mrs. F. Bertsch were recent visitors to the Mossleigh and Arrowwood where they visited with the various members of their family.

Whatever good or bad there is in the frequent rains we had this past week the opinion of most is that it is raining on the wrong place or at the wrong time, but even the barometers have fooled us on occasion so don't be too hard on the forecaster. If anyone is being plagued by the weather it is the school bus driver and the buses for East Majorville and North Majorville seem to have their share of troubles. It's just about time for a few all-weather roads in these hills. When the weather is nice we work and when it rains and we could possibly get away for a day or two, our dirt roads are impassible. Let's get tough, neighbors.

Hugh Laughren, a long time resident of Majorville, died on Sunday, May 24 at the age of 80. He had suffered a heart attack a few days previous and failed to recover.

Mr. Laughren was born in Shawville, Que. and came here in 1909 to take up farming. He resided in the district until moving to Calgary some years ago. His wife predeceased him last year. He is survived by two daughters, Mrs. E. Berkeley, Calif., Mrs. J. Roney of Calgary and a son, Gladwin of Calgary; seven grandchildren and two great grandchildren; four sisters, Mrs. J. W. McIntosh, Mrs. Wm. Shaw and Mrs. F. Lachapelle all of Calgary, and Mrs. M. Lauritzen of Vancouver, B.C.; two brothers, Geo. of Duluth, Minn.; and Wm. of Seattle, Wash.

Rev. J. L. Pottruff officiated at the services held at Leyden's Funeral Home on Thursday and interment followed in Burnsland cemetery.

Ray Wellman has completed his spring operations at Champion and moved his outfits home. The truckers ran into trouble coming from town when they hit muddy roads but although the truck took to the ditch no one was hurt and men and machines arrived home O.K.

Mr. and Mrs. W. D. Campbell of Calgary were visitors at the Stuart Campbell home on Sunday.

Mrs. George Corner has her sister, Miss Coghill from Wick, Scotland, visiting her for the summer.

Mr. and Mrs. Blennerhassett of Lethbridge were Sunday guests at the Brodrick home.

Oil supplies are vital to defence. The gasoline required to move one armoured division 100 miles would run your car for

10 years? 95 years? 350 years?

The average weekly pay cheque of Canadians in 1939 would buy 84 gallons of gasoline. How many gallons will today's cheque buy?

79? 135? 93?

Scientists believe oil was formed from the remains of tiny sea creatures which lived millions of years ago. Would you say oil is found in

rock? pools? swamps?

Since 1947, oil companies have spent \$775 millions on exploration and development in Alberta. In that time the gross value of all oil produced has been

\$450 millions? \$830 millions? \$1,350 millions?

It takes many millions of dollars in plant and equipment to provide high-quality oil products when and where you need them. How much does this amount to per Imperial employee?

\$3,856? \$16,597? \$30,715?

Imperial's investment in plant and equipment is \$30,715 for each of its 13,500 employees, and it is still rising.

### BRANT

Miss Alberta Prusky was home visiting her mother for a couple of days last week.

Mr. and Mrs. J. Druhal and Joe spent the weekend in Calgary.

The members of the students union motored to the north west of Longview and near the Kananaskis highway for a picnic on Saturday.

Sixteen Cubs and their leaders, Mr. Richmond and Mr. Gorius spent Saturday afternoon out at Al Henry's on a scouting expedition.

Charlie Prater was at Ed Praters over the weekend.

Master Roy Pence celebrated his birthday Sunday with several of his young friends.

The Boys and Girls ball teams played Champion at Brant on Thursday night. The Brant boys lost 14-2 and the Brant girls won 22-6.

## How many products do we get from crude oil?

From eggs, a hen can expect just one product—chicks. But from crude oil, Imperial refines 679 different products, ranging from weed killers to heavy asphalt. And that is not all—crude oil also supplies petroleum gases and other raw materials for plastics and synthetic rubber.

Oil plays a large and growing part in our everyday living. How many of these questions about it can you answer?

Oil supplies are vital to defence. The gasoline required to move one armoured division 100 miles would run your car for

10 years? 95 years? 350 years?

The average weekly pay cheque of Canadians in 1939 would buy 84 gallons of gasoline. How many gallons will today's cheque buy?

79? 135? 93?

Scientists believe oil was formed from the remains of tiny sea creatures which lived millions of years ago. Would you say oil is found in

oil makes a country strong

The average family car could be operated for 350 years on the gasoline needed to move an armoured division 100 miles.

Even though gasoline road taxes are higher in all provinces, today's average pay cheque will buy 135 gallons.

Oil is usually found far underground in the tiny pores of rock such as limestone or sandstone. The word petroleum is derived from the Latin "petra" and "oleum"—rock oil.

Not quite \$450 millions. Oil companies have received much less than this, of course, because from it must be paid field operating expenses, royalties, taxes and other charges.

Imperial's investment in plant and equipment is \$30,715 for each of its 13,500 employees, and it is still rising.

## Carmangay

Rose Marie MacMillan was home for the weekend.  
Mrs. Mina Greane is home from a holiday at Creston.  
Mrs. Don Moore and daughters of Creston are visitors at the home of Mrs. Mina Greane.

Mrs. Bob Needham of Edmonton has been visiting her parents, Mr. and Mrs. Frank Burgess for the past week.

Mr. and Mrs. Mac Baldwin and family motored to Strathmore on Sunday where they visited Mr. and Mrs. Frank Marriot.

Mr. and Mrs. Harvey Robertson were visitors in town this last weekend.

Miss June McLeod is working in the Calgary San for the next two months.

Barbara Stafford was home for the weekend.

Mrs. Bob Needham and Miss Barbara Stafford were visiting friends in New Dayton on Sunday.

Mr. and Mrs. Steeves of Swallow have taken up residence in the town this week.

Mr. and Mrs. Arthur Stafford of Carmangay announce the engagement of their only daughter, Barbara Joan to Mr. Edwin A. Row, eldest son of Mr. and Mrs. Andrew Row of Barons. The wedding will take place on June 19 at 3 p.m. in the Carmangay United Church.

**Shower**  
A shower honoring Joanne Hubka was held on Tuesday, May 26 in the basement of the United Church. Mrs. Bud Moore was the master of ceremonies for the evening. The program opened with a sing song followed by a contest. Glen McFarland showed a number of colored films that he has taken with his movie camera which were enjoyed by all those present.

Margery Moore and Yvonne Fraser carried in the basket of gifts and Yvonne expressed the good wishes on behalf of those present.

Joanne Hubka was assisted in the opening of the gifts by Mrs. Margaret Hubka, Dorothy Hubka, Mrs. Opal Ensign and Barbara McFarland.

**Home & School Association**  
Regular meeting of the Carmangay Home and School Association was held Wednesday, May 27. The vice president, Mrs. Miles presided in the chair. Mrs. Hilda Lyckman, on behalf of the program committee thanked all those who had helped in any way at the opening of the school.

Mr. Yoemans asked if the Association would help with the picnic planned on June 11 to be held at Park Lake. It was decided to make it a community and school picnic with everyone of the community invited. Each family is to bring enough food for two meals for their family and in the case where the parents cannot attend send it with the children. The following food was suggested: hot dogs and buns, potato salad, pickles, baked beans, cake and cookies. The food will all be put together and served. The Association will provide ice cream and cones and coffee and punch.

Don't forget your own dishes, cups etc. The delegate, Mrs. Leonard Bach gave a very interesting report on the convention.

**W.A.**  
The June meeting of the W.A. was held a week early. Friday, May 29 in the church basement with 18 members and four visitors present.

Minutes were read and approved, then final arrangements were made for the two wedding receptions the W.A. are catering to in June.

It was decided to hold a picnic July 3 for all members of the W.A., Sunday School, Trail Rangers, choir and everyone who would like to attend. A committee was named to make arrangements and these will be announced later.

Devotional followed the business meeting and the Scripture reading was given by Mrs. W. H. Miller. Following this a skit was read by five members of the W.A., this skit was taken from a booklet on 'United Nations and Christian Missions' and was about the relationship of Missions to United Nations. It was very informative.

The highlight of the meeting was a talk on Korea by one of our High School teachers, Mrs. Miles. Most of the information was about Korea before Communist domination and even before the Japanese annexation. A map, pictures and even a dress worn by a Korean girl and modelled by Mrs. Miles made the talk very interesting and educational. Our sympathy goes out to the Koreans who are a peace-loving people and who have been so cruelly persecuted. After a vote of thanks to Mrs. Miles, the Mizpah was repeated and lunch was served.

**Anglican Guild**  
Ladies of the Anglican Guild met at the home of Mrs. McIntyre on Tuesday, May 26. There were eight ladies present. Devotional was read by Mrs. G. Miller. Plans were made for the Coronation service to be held on Sunday evening May 31 at 7 p.m.

Final plans were made for the Fashion Show and Coronation tea which was held Thursday, May 28 in the Community Hall.

A very faint lunch was served by the hostess.

## Annual Banquet and Dance Held at Brant School

The Brant Students held their second annual Graduation Banquet and Dance on May 22 in honor of Misses Shirley Sellars, Helen Mote, Shirley Kennedy, Ruth Williams and Kenneth Auld and Gordon Prusky. The banquet was held in the basement of the Brant school with 85 guests present.

The guests were greeted with smiles and handshakes by President Shirley Kennedy, and Secretary Elizabeth Druhal.

The banquet was opened by singing O Canada, followed by a toast to the Queen. Principal Mr. Forsyth then gave the blessing.

The supper was served very capably by grades 6, 7 and 8 who looked smart in caps and aprons made especially for them. Toasts of pineapple and grapefruit juice followed, introduced by Shirley Kennedy. Arlene Ball proposed the toast to the graduates, wishing the two graduates, Shirley Sellars and Helen Mote, luck in the future and prosperity to the other four who are going elsewhere to finish high school. Helen Mote responded. In the toast to the teachers, Bob Sellars expressed the anxiety felt by all on the meeting of all new faces. Mr. Richmond on responding, thanked Bob for his kind words. Ken Auld in the toast to the ex-students, told how much he missed them in the past year. Marjorie Hamilton, on replying, thanked the students for continuing with the annual banquet.

Mr. McKay, Chairman of County Schools reminisced on being among many old friends for the occasion.

Mr. Forsyth introduced the honored guest of the evening, Dr. Mowat, Superintendent of schools for the Calgary district. Mr. Forsyth offered his regrets to Dr. Mowat because his wife was unable to attend the banquet due to illness in the family.

Dr. Mowat spoke on "Schools, Old and New." He gave a very humorous speech.

Presentation of diplomas by Mr. Forsyth, corsages by Mrs. Ewan, and coronation spoons by Mrs. Emelkamp, president of the H.S.A., followed. Secretary Elizabeth Druhal presented Mrs. Hamilton and Mrs. Tweedy with chocolates for supervising the serving at the banquet. The president invited everyone to attend the dance.

The semi-formal dance was held in Brant Hall with Fraser's Orchestra in attendance and Gordon Prusky as Master of Ceremonies. The Grand March was led by the president, Shirley Kennedy and Vice-president Ken Auld.

Prize dances were won by the following:

Elimination dance, John Druhal and Margaret Druhal; Spot Waltz, Margaret Ann Collison and Charly Petzelt.

Supper of sandwiches, cake and coffee was served by Mrs. Walbauer, Mrs. Druhal and Mrs. Sellars.

munity library is one which receives "travelling libraries" from the extension library.

They consist of 35 books of fiction and general-interest non-fiction. They also are sent to clubs, associations and schools for three-month periods upon the signatures of three responsible persons in the community.

To carry out this service the library staff has to study each individual request, collect the books from the shelves and tend to the packaging and keeping of postage accounts.

We investigated this service following the annual meeting last week of the Alberta Library Association, attended by librarians on the big city libraries and also the librarians from small communities, who are struggling against long odds to provide good reading and useful information for citizens far removed from the larger source.

## District News

### RED CROSS

Miller White spent the weekend son-in-law. Mr. and Mrs. George Gladhill of Calgary, and also attended the horse races.

Calgary visitors last week were Mr. and Mrs. Wesley Fulton, Mr. and Mrs. A. A. Giles and George Todd.

Melbourne Dunham of Calgary visited at his home in the district over the weekend.

Mrs. Alvin Jacobson and Clara spent Sunday and Monday in Calgary and were accompanied home by Melbourne Dunham and Donald Scott of Calgary.

Dinner guests on Tuesday at the home of Mr. and Mrs. Clare Dunham were Mr. and Mrs. Leonard Folk and family of High River and Mr. and Mrs. Spencer Burns.

### ARROWWOOD

Mr. and Mrs. Eddy Lewendon of Brooks were renewing acquaintances in the district on Sunday.

Mrs. C. Bannister is at home now after spending a week in the Vulcan hospital.

Mr. and Mrs. Chester Beagle of Calgary were weekend visitors at the home of Mr. and Mrs. Jay Beagle.

Mrs. Don Parker and girls of Cranbrook, B.C. are visiting at the home of her parents, Mr. and Mrs. D. House.

Don't forget the Arrowwood Sports Day, Thursday, June 11. Parade starts at 11 a.m. Dance at night.

The Arrowwood Ladies softball team played against the school girls last Wednesday and won by a score of 24-10.

Mrs. J. C. Starratt of Calgary is spending a few days visiting her granddaughter, Mrs. Ray Gaetz. We are sorry to hear that Percy Stull is a patient in the Holy Cross hospital and doing well.

About 22 women from Arrowwood attended the East Conference of Friday 12 of the FWUA in Mito on Friday. The Junior UFA girls put on a skit "Rummage Sale", which was much enjoyed. Piano duet numbers by Danelle Williams and Eleanor House were also enjoyed.

Mr. and Mrs. S. Hayes, Mr. and Mrs. M. Norton and Mr. and Mrs. Bill DeWitt attended the Graduation Banquet and Dance in Cluny last week. About 250 people were seated at the tables. Guest speaker was Sen. Gershaw of Medicine Hat. Mr. S. Hayes proposed the toast to the school students.

On May 20 Mrs. G. Newby was enrolled as second lieutenant of the Girl Guide Association by Captain Hayes. Five Girl Guides received their second class badges, they were: Ann Richards, Ella Leadbeater, Lois Hayes, Joan Ward, Arlene Williams.

The Girl Guides and Brownies held a church parade at the special Coronation service at the United Church on Sunday, May 31. The Guides and Brownies marched in and saluted while the Color Party, consisting of the Union Jack and World Guide flag was placed on either side of the altar. During the service the Guides and Brownies repeated their allegiance to the Queen. Both groups are taking part in the rally at High River on June 8 at which time they will be inspected by Chief Commissioner of Canada, Mrs. Wishart.

Earl Robinson and Eldrid Severine of Ontario, were Sunday visitors at the home of Mr. and Mrs. S. Hayes.

The Arrowwood Cub Pack spent Monday night camping at the river. Eleven Cubs, accompanied by their leader, W. McDaniels and assisted by E. Burris were present. Two tents were pitched and all reported a good time despite the thunder and lightning. In the morning they enjoyed a good breakfast of pancakes and fried eggs, made over a campfire.

### BERRYWATER

Mr. and Mrs. Allan Smith and son Robert returned to Yellow Grass, Sask. on Friday.

Mr. and Mrs. Martin Hoffman and daughter Riva were recent Calgary visitors.

Mr. and Mrs. Lloyd Wjekstrom of Calgary were guests at the home of the former's brother, Mr. Stan Wjekstrom.

Mr. and Mrs. D. H. Russell of Carmangay were Sunday visitors at the D. B. Smith home.

Mr. and Mrs. Jones were visitors to Lethbridge on Monday.

Many of the local ladies attended the FWUA conference at Mito on Friday and report a very interesting day. We are also reminded of the district 12 Convention at Macleod on June 5.

Mr. and Mrs. H. Douglas attend the wedding of their niece, Miss Alice Herdman in Calgary on Tuesday.

### KIRKCALDY

Miss Hazel Rowe of Calgary visited for several days at the Spencer Lewis home this week.

Mrs. A. W. Maisey attended the Grand Chapter of Alberta of the Eastern Star in Lethbridge on Wednesday.

Many attended the Tip Top Dance Revue in Vulcan on Monday. Miss Ora Jane Urquhart and little Miss Lorence Jensen took part.

Kirkcaldy W.I.

The May meeting of the Kirkcaldy Women's Institute met at the home of Mrs. Morley Scobie last Thursday with seven members and eight visitors present.

The roll call was answered by further discussion on our Creed.

Miss Ware was appointed as delegate to the Constituency Conference in Champion in June.

A delegation from Champion WI were present to make plans for dinner at the Conference.

Mrs. Calvin Hollister gave a very interesting article on Education, her topic being Why Growing Children Act That Way, dealing with the ages from 6 to 12.

The tea draw was won by Mrs. Ray Flitten. Lunch was served by the hostess.

Civil defence authorities are stressing the importance of having a community that is organized to meet anything.

year along much the same lines as it has during the past, since the inception of the plan during 1949. Farm and town organizations alike are being asked to consider and arrange nominations for outstanding farm families in each of their respective districts. There are outstanding farm families in every district, and since these particular families have achieved a high standard of perfection in their farming operations, and have served their communities well it is only fitting that their efforts be recognized.

The objectives of the Master Farm Family Program are to honour farm families who have achieved notable success in farming, homemaking and citizenship. To provide a practical demonstration of farm and family progress and approved practices that bring success. To draw attention to the advantages of farming as a vocation and to the wholesomeness and dignity of rural life. To set before the rising generation the higher ideals of farm life and the opportunities in a citizenship.

In order to be eligible for nomination the following requirements must be fulfilled.

The family must be Canadian citizens. The head of the family must be a farmer or operator or leaseholder of a farm. The head of the family must have spent at least twenty consecutive years in actual operation of a farm. Years spent on military service will count as time spent on the farm.

A farm operated as a partnership or business agreement, involving other than members of the family i.e. wife and/or children of the operator is not eligible.

Nomination papers for the award may be obtained by contacting your nearest District Agriculturist. These must be signed by three neighbors, accepted by the nominee, and returned to the local District Agriculturist before the middle of June.

## "Old at 40, 50, 60?" —Man, You're Crazy

Forget your age! Thousands are peppy at 70. Try "peppy up" with Cortex. Contains tonic for weak, run-down bodies due solely to today's lack of iron which many men and women call "old." ## HI-DRIVE

A NEW STANDARD IN

## Smooth, Shift-free Driving

FOR DODGE MAYFAIR AND REGENT

HY-DRIVE does just what the name indicates—it lets you drive in high gear all the time if you desire.

HY-DRIVE frees you from shifting and at the same time gives you better control under any and all road and traffic conditions.

HY-DRIVE makes driving easier, safer and less tiring. There is nothing new to learn—no upsetting changes to make in driving habits. Hy-Drive simply gives the driver less work to do by eliminating manual shifting.

## Brief Items of Local Interest

The Bethel Lutheran Ladies met recently and organized a Guild with Mrs. Frieda McRoberts as president and Miss Anna Brown as secretary-treasurer.

Mr. and Mrs. John Magnuson of Calgary visited with the latter's brother, Albert Granlin, in hospital here Friday and also visited relatives at Lomond.

Mrs. Garnet O'Neil of Crossfield was a Sunday visitor at the Northcott home.

Mr. and Mrs. Montie Findlay were Cardston visitors this week with their daughter Gloria.

Mr. and Mrs. Ross Clark, accompanied by Mrs. Joyce Carruthers, were Calgary visitors last weekend, with Mr. Clark leaving from the city for a trip to Iowa.

Dinner guests at the Bruce Roe home Wednesday evening were Mrs. Ed McPherson and Mrs. A. Willis from Montana and Mr. and Mrs. and Mrs. E. G. McPherson.

Miss Betty Hammer of Carmanagan spent Tuesday at her home in Vulcan. Miss Juanita Bakke of Carmanagan accompanied Miss Hammer here for Coronation Day.

E. G. Hansell, MP, spoke at the Coronation program at Claresholm on Tuesday and left that evening for Manitoba, where he is taking part in the provincial election campaign.

Miss Vivian Harris of Calgary visited her sister, Mrs. R. H. Walker, on Sunday, the occasion being Mrs. Walker's birthday. Miss Harris left Sunday night for Lake Louise, where she will be employed this summer.

B. J. S. Sharp, Optometrist, Calgary, will be at Mitchell's Drug Store on Saturday, June 6, from 10 a.m. to 5 p.m.

Miss Joan Jantzie of Calgary was a recent visitor at the home of her parents, Mr. and Mrs. D. O. Jantzie.

Miss Connie McFarland was a Calgary visitor last Saturday.

Weekend guests at the home of Mr. and Mrs. A. Schierman were Mrs. A. Dippel of Calgary and Mrs. J. Dippel and family of Crossfield.

Mrs. Carrie McIntyre is visiting in Edmonton for several weeks at the home of her brother, Stan Cramton, and friends.

Mr. and Mrs. Lorne Healy and son, accompanied by Miss Josephine Bagnall, motored to Calgary on Sunday.

Mr. and Mrs. Harold McDannold of Calgary were recent visitors at the home of Mr. and Mrs. Russell Robson.

Mr. and Mrs. Russ Lawrence were Calgary visitors at the home of the latter's mother, Mrs. Eunice Phillips over the weekend.

Mr. and Mrs. Ed Arney of Calgary were recent business visitors to Vulcan.

Mr. and Mrs. Charlie Fleming were Hanna visitors on Tuesday.

Mr. and Mrs. Gordon Bell motored to Waterton on Tuesday.

Mr. and Mrs. Schmidt and family were Hanna visitors on Tuesday.

Mrs. Margaret Dobbs is visiting in Calgary for a few days this week at the home of her daughter Mrs. H. T. Lamont.

Ralph Buehler, who is a student at Mount Royal College, was a visitor to his home over the long weekend.

Mrs. Ruby Scott left this week to make her home in Cochrane.

Mrs. W. D. Hyslop was a visitor to Edmonton this week at the home of her son-in-law and daughter, Mr. and Mrs. Cecil Watson.

Master Kenny Scales is a visitor this week at the home of his uncle and aunt, Mr. and Mrs. Herb Tulloch in Calgary.

Mrs. Lew Ritland and Maxine are holidaying in Vancouver for the next two weeks.

Mrs. Montie Findlay has been named the new district representative for the Avon line of cosmetics and is licensed by the Town of Vulcan. She would appreciate receiving the patronage of all users of this well known line of toiletries and will be glad to call at your home if contacted at phone number 254. Many specials are being featured at the present time and early orders are urged to avail users of these savings.

Mr. and Mrs. Lionel Chell of Monarch renewed acquaintances in Vulcan on Tuesday.

Mr. and Mrs. R. B. Jamison of Calgary were recent visitors at the home of their son and daughter-in-law, Mr. and Mrs. J. M. Jamison.

Mrs. Jean Munro of Calgary spent a few days this week at the home of her son and daughter-in-law, Mr. and Mrs. R. C. R. Munro.

Of interest to Vulcan friends is the news that Mr. and Mrs. Bill Brown of Red Deer (formerly of Vulcan) are now spending several months in England and recently called on Ted Howell, formerly of Armada, who has been living in England for the past five years.

## Pool Chairman Comments on Ending of Strike

Ben S. Plumer, chairman of the board of directors of the Alberta Wheat Pool, while expressing his relief at the ending of the terminal elevator ordered strike at Vancouver and the resumption of grain traffic through that port had the following to say.

"Our stand in this strike was based on our belief that the employees were well paid. In the past two years they received increases amounting to 42½ cents an hour along with substantial fringe benefits. Their rate of pay was among the highest for that class of labor not only on the Pacific coast but in all Canada.

"The Alberta Wheat Pool returned to its farmer members 35 per cent of the earnings of Pool Elevators last year. Every increase in expenses is a direct charge on the individual farmer. If we were operating as a private concern we would merely increase our charges to the farm people. But we are trying our best to keep our costs down.

"Pressure from the federal government, but mainly the urgent need for heavy export movement of grain to provide local elevator space compelled us to give in on this strike. Our concern is to give farmers an opportunity to deliver farm-stored grain. The fact remains, however, that a small group of men seemingly have the power to tie up the whole economy of western Canada. That is something for the farm people to ponder over.

"We appreciate the support given us by the Farmer's Union of Alberta whose directors voted unanimously in our support and also to the Alberta Federation of Agriculture whose directors took similar action. We think any critics, governments or otherwise, have no ground to stand on unless they pay better wages than we do.

"Farmers might also be interested to know that in the discussions

PRESTON WILKINS, Sponsored by the Vulcan Christian Men's Club, will speak in the Vulcan Church of Christ, this Friday night at 8 p.m. Cecil Warden will be soloist for the evening and Lloyd Jones Song Leader. The entire community is invited to attend this service.

In the house of commons on this strike issue to my knowledge not a single word of sympathy or support was extended by the representatives of any political party to the grain producers from whose pockets must come the money to meet all these costs. This would lead to the conclusion that organized labor has far greater political power than have the farm people.

"During the course of the strike we have presented our case modestly and courteously. We are firm in the belief that the great majority of the farm people of Alberta have been behind us."
